

Burlap and Bean Coffee Options

Heritage - City Roast

Full Flavored, smooth medium roast. Bringing together unique characteristics from Central and South America.

Black and Tan - Full City Roast

A popular Blend of dark and light roasted coffees. The dark component brings the full bodied boldness while the lighter introduces delicate unique flavors yielding a smooth yet complex cup.

Excalibur - French Roast

A remarkably smooth blend featuring a succulent full-bodied richness and surprising crisp, sweet finish.

Espresso - Espresso Roast

An assertive blend highlighted by a slight upfront stonefruit acidity and brown butter and caramel notes on the finish.

The unique SWISS WATER® Process uses pure water from British Columbia, Canada to gently remove the caffeine until the coffee beans are 99.9% caffeine-free, while maintaining the bean's distinctive origin and flavor characteristics.

Sleepy Hollow Decaf - City Roast

No flavor is lost in this decaf Medium roast. Mild cocoa scent followed by light citrus notes.

Half Caf - Full City Roast

An equal blend of regular and decaf coffee. This is a bold yet smooth cup that finishes clean.
